Dear Commissioner:

In response to the Interview Summary communication mailed February 27, 2009, the undersigned wishes to point out that what is stated in the Interview Summary is a correct reflection of the substance of what was discussed during the February 26, 2009 telephone interview between Patent Examiner Michael Scott Lowe and Ms. Amy Klein of our office in connection with the above-identified patent application.

Specifically, on February 26, 2009, Ms. Klein telephoned Examiner Lowe to inquire about the status of the case and when it might be examined. The Examiner stated that the case was sixth

on his new docket but that there were a large number of cases being placed in his docket from Examiners that were no longer working in the art unit that would have to be done first.

Respectfully submitted,  
Rudolf HANSL ET AL
